YOUR CHOICE, OUR SUPPORT.

We are here for you

Abortion is a common medical procedure. We are here to support you if you are considering an abortion and would like to talk to someone about your decision. If you don't feel able to talk to friends of family, you can speak with one of our specialist counsellors, your GP or your local hospital.

Accessing abortion services

You don't need a GP referral to access NHS-funded care and you can self-refer by contacting us directly, on the phone or online.

Our treatment centres offer the following services:

- **Face-to-face medical abortion (abortion pills)**
  up to 9 weeks and 6 days gestation
- **Abortion telemedicine (pills by post)**
  up to 9 weeks and 6 days gestation
- **Surgical abortion**
  up to 23 weeks and 6 days gestation
- **STI screening, including HIV testing**
  (as part of our abortion services)
- **Post-abortion contraception services**
- **Interpreters during face-to-face or phone appointments**
- **Accredited counselling services**
  (BACP, British Association of Counselling & Psychotherapy)

Contact us

You can call our advice line on **0345 300 8090** or you can visit our website to read more about your options and to make an online booking. If you are not ready to make a call and you would like further information regarding our services, you can choose to live chat with one of our advisors. **www.msichoices.org.uk**

24/7 Aftercare

Your care does not end when you leave our clinic. If you need support after your treatment, we are here to help. You can call our dedicated aftercare line for a confidential chat with one of our nurses. The service is available 24 hours a day, 7 days a week: **0345 122 1441**.
